

*It all started when we resumed our search for the school's alumni
in the Autumn of 2009...*

Dear St Theresa School Students of the past,
(if you aren't one, perhaps you could pass this onto one you know)

The school is attempting to create a database of alumni from St. Theresa.
Our goal is to enable the school to keep you updated about your alma mater,
what's going on and when, send you a newsletter every now and then, etc...

If possible, please email your information to Karen Bozzone Raven ('82) at
kr_sttheresaschool@yahoo.com or call at 547-3146 (x30). There's also a St.
Theresa Alumni group on Facebook that you can join.

Here's the info we would love to have:

- ~ Student name (current name, if changed; married name if applicable)
- ~ Graduation year
- ~ Email address
- ~ Address and phone number

You can also drop us a note at the Rectory or send it to the school.

Thank you,

The St Theresa Alumni Committee
