How the Spirit Guides Vincentians

WINGS is a faith enhancement group that encourages spiritual growth through prayer, scripture study, spiritual exploration, life sharing and community. Women in all stages of life come together weekly to grow in their relationship with God and each other and learn to recognize their own spiritual gifts.

Affirmed and strengthened by the support of their Christian sisters and the Holy Spirit, the women of WINGS can better share God's love in the wider community of family, parish, neighborhood, and world. Rather than being a service-oriented organization, the focus of WINGS is building up the Body of Christ by meeting its members' spiritual needs.
