St. Theresa HSYM & Confirmation Ministry

It is the expectation of St. Theresa Church and the Bishop of the Diocese of Oakland that the Confirmation candidates and their families make participation in this ministry a priority in order to be well prepared to receive the Sacrament of Confirmation at the end of the two year program.

As a candidate, I promise to:

- recognize my faith, be open to its growth, and have a desire to participate in this program
- attend sessions regularly, usually twice a month (It is expected that the HSYM Coordinator be notified beforehand of an absence. After multiple absences, the HSYM Coordinator will request a conference.)
- participate regularly in weekend Liturgies
- attend and participate in the retreats (one day retreat for Year I candidates, weekend retreat for Year II candidates)
- attend and participate in: the Candidate-Pastor Interview, the rehearsal, and the Sacrament of Confirmation Liturgy (Year II)
- select a sponsor (must be a Confirmed adult, more information will be provided during the program)
- choose thoughtfully in selecting a Confirmation Name (more information will be provided during the program)
