

ST. THERESA PARISH PUBLIC MASS GUIDELINES

With permission being granted to begin public Masses we want to remind you that the dispensation from attending Mass remains in effect in the Diocese of Oakland. Our Sunday 10:00 am Live-Stream Mass will remain available.

Anyone with a temperature, a cough of any sort, or feeling ill, should not come to the church for Mass. If you are in a high-risk group, or even apprehensive about attending Mass, we ask you to please stay home, and join us for Mass via live-stream.

This is the first phase of our parish reopening and will have many new protocols that all parishioners must follow to attend Mass. These procedures will be reevaluated weekly. If you would like to attend Mass, please read through the details below – thank you for your patience and compliance.
