## Question of the Week

**Adult:** We witness to Christ as John did, by living lives full of generosity, forgiveness, and mercy toward others. When do you find it most difficult to do this?

**Child:** Who has surprised you by doing something kind for you when you did not expect it?

## A WORD FROM THE PASTOR:

It was wonderful to celebrate Archbishop Peter Chong's 28<sup>th</sup> Anniversary of his priestly ordination. We are always happy to see him and welcome the entire Fijian community. The 5pm Mass 'rocked' with great participation and wonderful music. Yes a few of you again asked if they could be invited every week! If they didn't live so far from us, it could happen one day.

After Mass and the hospitality and dinner the Fijian community hosted, the archbishop showed some videos of the Church in Fiji. There is growing awareness of the gift of the ocean. As we recently heard about the importance of the rain forests, which provide about twenty per cent of the oxygen we rely on, the oceans provide up to seventy per cent.

The archbishop wrote a beautiful song about this and our need to be good stewards of the earth that God has entrusted to us. I have asked for a copy of the video and you may see it soon. This is a direct response to Pope Francis' challenge in his letter to us entitled: *Laudato Si*. Lent will be here before we know it, and this could be a good exercise to read and talk about what the pope is saying to us.

Along those lines, the school has embarked on an early Lenten project that will educate and encourage all to re-cycle, compost and be more careful with the things we may take for granted. I know they will be presenting some ways for all of us to get involved.

Buy you tickets online for the annual 'Irene Crosetti Ravioli Dinner'! It is a great way to move us into the new year with good pasta, beverages and the fellowship we share.

This weekend we host the annual 'listening sessions. Each session has several people from staff and pastoral council taking notes. The notes are synthesized and discussed at our staff and pastoral council meetings. The Mass schedule, more socials, more for our young people, a response to the abuse crises and many other things that happen in our parish are a direct result from what we have heard from you. Thank you in advance for your ongoing support, generosity and comments. Each of you does make a difference.

The above is one reason for the annual Epiphany party. We want to say thank you too the many who do many ministries and outreach that make St. Theresa parish who we are with a growing good reputation. I hope one day, everyone in the parish will be invited, but until then, please say thank you next week to someone who acts for us, the greeter, the usher, the lector, the Eucharistic minister, the St. Vincent DePaul member, choir members, individuals from the Men's Club or Wings or Advent by candlelight. The list goes on and on and it is good every now and then to simply say: thank you!

Some have noticed that the weekly collection update and budgeted costs have not been in the parish bulletin for a few weeks. We are in a transition with a new bookkeeper. Our Finance Council is working on it and those reports will be back soon.

As we return to 'Ordinary Time', know that the Lord is with us and that makes every day extraordinary!

### St Theresa School News

On January 7<sup>th</sup>, our students returned to school from their Christmas break. It was so nice to see our community gathered together in prayer as they recalled the story of the Magi and as a community continued celebrating the Epiphany. We are still Christ's light in the world.

This week the school kicked off our Service project for the new year. Our 8<sup>th</sup> grade student leaders, under the guidance of Mrs. Guthrie, called on all of us to care for our "Common Home." Jamie Collins (grade 8) asked the students to follow the message of Pope Francis. Pollution and waste hurts us and we need to make changes here at school about how we view waste and take action. St. Theresa School will work on compost, trash, and recycling. The student leaders will educate the students this month and support them in changing our behaviors to better care for our earth.

## LIVING GOD'S WORD

When at Mass, we call on Jesus several times as the Lamb of God - at the beginning in the Gloria and twice in preparation for Communion. Pray for our world this day to recognize Jesus as the Lamb of God who takes away the sin of the world.
