## A WORD FROM OUR PASTOR

Welcome to the month of May! In the past I think a poem or sonnet called it the merry month of May. With the pandemic still making life different for us, my prayer is that it will indeed be merry for all of us!

One way to insure that is if we have not already done so, to get vaccinated against Covid. I have met some who say that this vaccine was processed so fast. While it may be true that the specific target for covid is recent, the technology of using this different type of vaccine from the vaccines we received for the measles, chicken pox, etc. is different and has been worked and studied for many, many years. So, the fast time to market should not be used as an excuse.

Pope Francis and our bishop have encouraged all and I do the same to say that we get the vaccine not just to protect ourselves, but to protect our neighbor from this deadly virus. I urge you if you have not or have not planned to get vaccinated, please consider it now. We can only finally rid our nation and hopefully our world by defeating it together. I am happy to discuss this with anyone or put you in contact with medical experts in our parish if you still have hesitations.

Today at 4 pm the Spring Event is being hosted on behalf of our school and on behalf of all of us. When surveyed about what is important to look for in a school principal, most school parents who responded made the sense of community the top value. I hope we will all join in this fun today to reach some of that community as the circumstances continue.

This weekend we also welcome back the 5 pm Mass on Saturdays. Thanks to all who will be there to help facilitate making it happen. We have certainly learned from this past year that it takes cooperation and help from all of us to make some things work for the sake of all!

We also welcome and bless our First Communion students. They have certainly had a different year of preparation to get to May 22<sup>nd</sup> when First

Communion will be celebrated. It will not be at a Sunday Mass as we have celebrated past First Communions in the midst of the whole community due to the still in place attendance restrictions. Nevertheless, I ask all in the parish to say an extra prayer for these children and when you do see them at upcoming Sunday Masses, please congratulate them and encourage them to always seek this gift of our God to nourish and transform them along the way.

On Sunday, May 16, the bishop will celebrate a 12 noon Mass conferring the Sacrament of Confirmation on seventeen young women and men in our parish. They too have had a unique time of preparation over the past two years. Most in person classes were conducted outside. Their retreat did not take them away to a retreat site but was conducted safely distanced on our own parish site on a recent Saturday rather than over a weekend. I have been in the process of interviewing each of them personally so I can recommend them to the bishop and with great joy tell all of you that we welcome young women and men who have grown in the faith on their own. Again, I ask you to congratulate them and encourage them when you see them at regular Mass. I always ask now that they will be fully initiated members of the Church, what ministry they would like to be involved in. They will continue to succeed with our prayers and encouragement.

So, the above indicates that despite things still being different, we have many things that can make May merry! I am keenly aware that we also have some profoundly serious and troubling issues that surround us when any person is not treated as an equal and made in God's image and likeness. Let us keep these things in prayer and I and the staff are talking and working on ways we as a parish can address and hopefully make real change when facing these issues.

**ST. THERESA SCHOOL**

The first graders have been busy little bees learning about Easter, insects, and time. They have learned that Easter lasts for 50 days! The children did a research project on an insect of their choice, created the insect, and presented it to the class. The children are also learning how to tell time using an analog clock. We have welcomed back the entire first grade class (along with the rest of the school) for in-person learning for four days per week.

God is like a mighty vine, and we are like the branches that can grow from it and produce fruit! This means that we can serve God in wonderful ways when we rely on God's help and strength. Look at the number on each leaf. Draw that amount of fruit onto that branch. Keep this as a chart, coloring in a piece of fruit each time you do something for the Lord!

# CATHOLIC CORNER

## I AM THE TRUE VINE

Last week we heard Jesus say, "I am the good shepherd" (John 10:11). Today he says, "I am the true vine" (John 15:1). Jesus uses many images about himself to teach us who he is. Think about a shepherd and a vine. What do you think Jesus is saying about himself?

The images and words of Jesus are significant. Throughout scripture, if a word is repeated several times in one passage, it means it is very important. Repetition is like underlining the word or writing it in capitals or in bold print. In today's Gospel, as Jesus talks about the vine, he repeats the word "remain" eight times! "To remain" means "to stay somewhere." Where does Jesus want us to "stay?" "Remain in me," he says over and over. Jesus wants us to stay with him. He will be in us and we will be in him.

Think of ways we can act and speak that will help us remain in Jesus and stay connected to him as a branch is connected to a vine. Write them in these vine leaves. One is done for you. Try to remain a good branch on the vine and always carry the life of Jesus in you.
